

# Budget Case Studies

**Directions:** Look at over the chart, and sort the monthly expenses into Needs versus wants. You may suggest different spending habits in the wants section to help your person reach her goal.

<b>Case Study 2:</b>	
<b>Name</b>	Marissa
<b>Job/Income</b>	<b>Part Time Assistant Manager, CVS about 25 hours a week at \$19/hr- Monthly Take Home after taxes: \$1,627</b>
